

# General Email Questions

## How do I create an additional email account?

To setup additional email accounts, email us at [help@iglou.com](mailto:help@iglou.com) with 2 or 3 choices of what you would like for the new email address (in case one is taken). You can also call us at 502-966-3848 and we can set up the account for you over the phone.
