Good Payer Discount Promotion

Beginning May 1st, 2017, IgLou offers new high-speed Internet customers discounted rates for the first year of service as part of the Good Payer Discount promotions we offer from time to time. These discounts will continue beyond the first year as long as payments are usually received by the due-date on each monthly bill. There's no catch, no new commitments required, just our way of saying thank you!

Residential Good Payer discounts require automatic monthly credit or debit card bill payment. Invoiced Good Payer rates are \$5/month higher.
