

# Dial-up Internet

## What are your local access numbers?

The current list of local access numbers is maintained here: <http://www.iglou.com/iglou/local.htm>

IgLou offers dialup access in thousands of cities around the United States, so if you don't see your number listed as a local metropolitan number, please be sure to look through our National Numbers section on the above webpage.

**IgLou is not responsible for long distance charges incurred during use of our service. Please contact your telephone company if you are unsure if your call will be long distance.**
